Dear Coaches,

We are making the check-in process a lot smoother for everyone involved.

Each team must have at least 1 representative check the team in. You will receive your Coach's/Scorekeeper's wristbands at the time of check-in. You are allowed 2 coaches and 1 score keeper in attendance for free. These wrist bands need to be worn on your wrist all weekend. **If a coach does not have a wristband on he/she will be charged to enter the game (no exceptions), and there will be no refunds.** I suggest your coach(s)/team representative registers on Friday night, to avoid long lines. If a representative picks up the wristbands, make sure they distribute to the recipients before entering the gyms.
