

Spartan Showcase Classic Notes for Parents

Please share this with your parents to help make their experience enjoyable as well. Please remember to bring your own **sports chair** as some of the gyms do not have seating available especially at MSU.

You will need to bring **CASH ONLY** for the entry gate fee as there are no credit card machines to take gate with.

Please be respectful to all gate and site supervisors, as they are doing their jobs to make this a good experience for all involved.

It will be easiest to track your game times on the “classic tournaments and events” app that you can download from your app store.

You also can get updates from the website:
www.classictournamentsandevents.com
