

## COVID-19 GUIDELINES FOR SHAMROCK 2021

- Face coverings are required for all persons entering the facilities.
- Each building has its own unique challenges. As a general rule, Indiana guidelines suggest half capacity in each space. We know that if we allow two fans/spectators per athlete we can stay under the capacity. This will keep our court numbers low and give people plenty of space to spread out and practice social distance.
- We will have admission stations set-up in the front of the building and will sell event credentials outside weather permitting. We ask after you wait outside or in your car until your child's game time.
- We ask fans do not enter the facility until their teams' game time, and after your game has ended, exit promptly so we can adhere to City, County, and State Guidelines. Coaches, players and Fans must exit building after they finish playing, if they play back to back, then you can leave after your final game. If you have a break between games, coaches, players and fans need to exit and return for their next scheduled game.
- Each Facility will have admission instructions, and directions for entering and exiting the building.
- If you feel sick or have any symptoms at all, as much as everyone wants to play, please stay home for everyone's safety. There are Parents/Fans Live Stream options <https://select.bethebeast.com/btb/eventliveplus>
- Your coach is responsible fan/parent group compliance, and should limit and regulate the flow of entry and exit. Fans/Parent groups are to enter for their team game only, and are asked to leave immediately following to allow next teams, fans/parent groups to enter the space and keep the event progressing as scheduled. In extreme cases the gym coordinator may stop, or end your game for non-compliance with facility regulations. Please don't be THAT COACH, PARENT, or FAN.
- There will be no post-game handshake lines to prevent superfluous contact.
- Six of the courts in use this weekend DO NOT have seating. You should pack a chair in case you have one of these court assignments. Specific court information can be found on <http://shamrockclassic.co/gyms.html>. The chair will come in handy when you exit the building. Between games, you may tailgate, or find another outdoor location to set up your chair until your next game starts.
