

TIEBREAK RULES

- ▶ **In the case of a 2 team tie:** Head-to-head result will determine winner given that the 2 teams have played. If they haven't played it will go to overall Point Differential followed by Points Allowed then Points Scored
- ▶ **In the case of a 3+ team tie:** Places will first be determined by the highest overall Point Differential (PD). If PD is tied it will then go to total points allowed, followed by total points scored.

***Max point differential: 20 pts/game**

***If a tie still exists, a physical coin flip at headquarters will decide places**
