

COVID-19 PRECAUTIONS

The safety of our athletes and fans remains a priority. During these unprecedented circumstances it is impossible for Arizona Elite Basketball Club, Inc. (or any company, organization, or institution) to completely shield anyone from exposure to COVID-19 (or any virus), the following measures are set forth to help reduce – but not eliminate – the possibility of exposure.

Teams and Coaches will be allowed entry 20 minutes prior to the start of each game. Spectators will be allowed entry 10 minutes prior to the start of each game. Please do not congregate around the entrances until it's your time to enter the facility.

ATHLETES

Our staff will be performing temperature checks for all athletes/parents/coaches at entrance prior to each game. No athlete may participate in the event if they have any of the following symptoms:

- Fever (100.4 degrees or higher) or chills
- Cough, sore throat, congestion or runny nose
- Shortness of breath or difficulty breathing
- Fatigue, Muscle or body aches or headache
- Loss of taste or smell
- Nausea, vomiting or diarrhea

Further, athletes must wear a face mask when inside playing venues except during games.

TEAM AND COACH PRECAUTIONS

- Coaches who have any of the symptoms listed above may not coach for the duration of the event.
- Coaches must wear face masks when inside playing venues, except during games.
- Coaches should have athletes dress/stretch off site and plan to arrive at venues 20 minutes before game time. Coaches may not hold team meetings or otherwise congregate players inside venues before or after games.
- Drinking fountains will be disabled. Teams must provide their own bottled drinking water.

Coaches are instructed to immediately remove their teams and parent group after the conclusion of each game. Our sanitizing crew cannot begin cleaning procedures until all players and parents have left the facility. The next group will not be allowed on the court or in the stands until such sanitization procedures have been completed.

SPECTATORS (A maximum of 50 people per court are allowed by AZ Guidelines.) This means approximately 10 players, 10 parents and 2 coaches per team = 22 @ two teams = 44. Plus 2 officials and 2 scorekeepers and that only leaves two additional people for media or court supervisors. As you can see it's very important to adhere to these guidelines.

- **No daily tickets will be sold.** Tickets are exclusively for family members of athletes. All tournament passes must be pre-purchased by the team and distributed to family members prior to gym entry. A maximum of Ten (10) tickets per team will be allowed for pre-purchase. All tickets will be dropped off to your coach the night prior to the first game and your coach will hand out tickets to those parents that have purchased the tickets for the weekend. The price of each ticket is \$20 and will gain entry to the bearer for both Saturday and Sunday. **Coaches please inform your parents that no-one without a wristband will be allowed entry and please make all travel arrangements accordingly.**
- All spectators are required to sit in the designated areas to adhere to proper social distancing guidelines.
- Any spectator with any of the symptoms listed above may not enter.
- Spectators are required to supply and wear a face mask at all times inside venues.
- We are advising anyone over the age of 65; anyone (of any age) with an underlying health condition or a compromised immune system; or anyone who has any specific concerns about COVID-19 exposure to not attend.

STAFF AND OFFICIALS

- All staff and officials will have a temperature check and be screened for symptoms prior to beginning work.
- All staff are required to wear a face mask while on duty (excluding officials, who are advised to wear masks before and after games).
- Hand sanitizer will be available at all staff locations, and areas of staff and attendee interaction will be routinely sanitized.
